Notes:

I hope you all enjoyed yourselves on a wonderful sunny day.

My apologies for the misplaced Number 5. If you arrived at the location as marked on the map
and did not quickly find the misplaced control please let me know.

Some people punched Map 2 controls on their first card instead of returning to collect their Map 2 card..
These are shown by a 0 (zero) on the sheet although they don't count for a score.

These are provisional results only so please let us know if you think there may be an error.
