## Street Orienteering 2019

### The Series

These very informal urban orienteering sessions are open to everyone including beginners, families and more experienced orienteers. Most are on Tuesday evenings. Some are at weekends and may have additional novelty activities. Coaching will be available to get you started or improve. Juniors under 16 must be accompanied by a responsible adult.

There will be three courses (trails) available (short, medium and long, approximately 2.5km, 4km and 6km ) in the form of a treasure hunt. You will get a special orienteering map showing streets (but not street names), open spaces and any parkland in one of the North Wiltshire towns. The map will show the position of a series at checkpoints. Each checkpoint will have an easy to answer clue to prove you have been there. Examples are the number on a lamp post, the telephone number on the shop front or the number of bollards at the end of the road.

There will be a league for each course but you can also take part non-competitively. Points will be awarded at each event according to your position. The total of your best five scores from the nine events will be your result for the series. The novelty event on 30<sup>th</sup> June is not part of the league and will have a "Beat the Street" score format

There will be no toilet provision unless otherwise stated. At some events, there will be a "pub of the night" to discuss your course afterwards.

### What to wear and bring?

Come in trainers or similar with clothing to suit ease of movement and appropriate to the weather. Shorts and vests are permitted.

### Times & Cost

For evening sessions please arrive between 6:30 pm and 7:00pm. You will start your course by 7pm and you are likely to take about an hour. Cost £3 per individual adult , £1 per individual junior (aged 16 - 21) or £3 for a family group

### Dates and Venues

Check our website [www.northwilts.org.uk](http://www.northwilts.org.uk) to confirm the location, time and any other information about individual events. Series co-ordinator & controller: John Orton johnorton6@gmail.com
