Permanent Orienteering Courses

Conditions of Use for Course Maps and Materials

Course maps and materials are supplied only on the following conditions

1. The copyright for all supplied maps and materials remains with North Wiltshire Orienteers (NWO).
2. The map and materials are for the use of the person to whom they are supplied and the group he/she represents. They must not be passed to other persons or groups who have not agreed to these conditions.
3. The maps and materials must not be used for organised events attracting an entry fee without the express written permission of both North Wiltshire Orienteers and Swindon Borough Council for each such event.
4. Groups of more than 20 who intend to use the Coate Water permanent orienteering course must contact the Coate Water Rangers in advance. (tel 01793 490150).
5. For information about Lydiard Park, Lydiard House and other attractions in the Park please visit www.lydiardpark.org.uk
6. The maps and materials were accurate when published and the permanent posts were in position. North Wiltshire Orienteers (NWO) and Swindon Borough Council (SBC) cannot guarantee that this will continue to be the case. School and Youth groups should consider checking the facilities in advance. Please report any problems to poc@northwilts.org.uk
7. When you email your agreement to these conditions, **please give an estimate** of the number of adults and the number of children that will be in your group. We supply the park managers with information about how well the courses are used. NWO will occasionally let you know about upcoming orienteering events. If you do not wish to receive this information please say so when you email.
8. Please note that the courses have been designed in accordance with the risk assessment procedures of the British Orienteering Federation. However, leaders of groups or individuals are responsible for making their own assessments and participants take part at their own risk.
